Referees

- Referees give their time and make it possible for us to play games versus scrimmages
- Our referees are 100% volunteer
- The call of the referee is final and not open to debate
- It is the expectation of Tustin AYSO, that coaches will demonstrate respect for the referees and guide their players and sidelines to do the same
- Failure to respect the referee is a send off offense (including coaches, and parents). Anybody sent off will not be able to play or attend the next match.
- There is a **ZERO TOLERANCE POLICY** for YOUTH Referees.
- Players Play, Coaches Coach, Parents Cheer
- This is not the World Cup

Game Time

- Start your game AT THE SCHEDULED TIME!
- This means telling families to arrive early.
- End your game (especially 5U – 8U) on time and EXIT THE FIELD!
Post game activities should be conducted off field.
- Referees are expected to start game on time and make sure games conclude on time.
- Manage the clock during water breaks.
- First teams' inability to start on time impacts every other team during the day.

No Pets On Fields

- AYSO has a no dogs policy. You can find it posted all over
- TUSD has a no dogs policy. It is posted at the front of every school.
- We hold permits for City of Tustin Parks (Tustin Sports Park) and therefore set the rules of field use during AYSO events. Our policy is no dogs.
- It is the responsibility of the Coach, Assistant and Team Parent to proactively communicate to all families that dogs are not permitted at AYSO events.
- If I see a dog on field at a practice or game I will ask its owner to remove it and tell them the coach should have notified team.

Beyond the Sport

- While performing your volunteer duties, remember the reasons kids play sports:
- To Have Fun!
- To improve skills and learn new skills
- To be with friends and make new friends
- For the excitement of competition
- To enjoy the success and recognition associated with the sport
